Mt. Juliet – City Between the Lakes

Just 12 miles outside of Nashville on Interstate 40 is the welcoming small community of Mt. Juliet, situated in close proximity to two recreational lakes. **Old Hickory Lake** on the Cumberland River and **J. Percy Priest Lake** on the Stones River ensure world-class fishing as well as a kaleidoscope of water sports. Locally, wonderful parks provide a wealth of amenities that include first-rate playgrounds and sports facilities as well as an amphitheater for outdoor concerts, plays, and special events.

The convenient location to major Interstate and commercial transportation facilities make it an ideal location. **Rapid growth in the city and the surrounding area has given birth to lovely residential enclaves like Green Hill, adding attractive subdivisions to the wealth of housing options.** Housing options are reasonable, compared to other locations in the region. In the decades between 1980 and 2000, Mt. Juliet was the fastest-growing city in Tennessee. Wilson County schools consistently rank well among the schools in the area. The combination of good schools and affordable housing make it a desirable area for many relocating employees.

While further expansion and development is expected to continue at a rapid rate in the Mt. Juliet area and in Wilson County, both residents and planners are determined to preserve the close spirit, friendliness and hometown feeling that make this area so appealing.

Mt. Juliet: a Visit to Remember

Day 1

Mt. Juliet, “City Between the Lakes” is a smaller town, with a laid-back feel. For your tour, we recommend staying in Nashville so you can drive to/from Mt. Juliet to get a feel for the drive and surrounding areas. Driving distance from Mt. Juliet to the Bridgestone offices at 4th and Demonbreun is approximately 18 miles.

If you decide to stay in Nashville, try **Union Station**, an upscale, historic-renovated train station on Broadway next to the Frist Art Center or **Holiday Inn on Broadway**, an affordable option that is walking distance to nightlife on Broadway. For a hotel near the airport between Nashville and Mt. Juliet try **Marriott Airport** or **Courtyard Suites**.

START YOUR DAY

If you are in Mt. Juliet for breakfast, try **Gourmet Donuts**, serving donuts, ice cream, frozen yogurt and sandwiches OR **Sonny’s Music Café & Creperie**, a fun, quirky atmosphere with a wide selection of savory and sweet crepes, sandwiches and salads.

If you are in Nashville for breakfast, try **Pancake Pantry**, one of Nashville’s favorite traditions. It’s known for its great menu including potato pancakes, sugar & spice pancakes, crispy hash browns, and chocolate milk. Be sure to arrive early or be prepared to wait in line. For a lighter breakfast, **Crema**, a favorite coffee joint of locals is a great choice.

Points of Interest in Nashville

IMMUNIZATION REQUIREMENTS/LAWS

The State of Tennessee requires that all new entering students, at both public and private institutions of higher education within the state, receive both the hepatitis B vaccine and the meningococcal vaccine, or that they sign and submit a signed waiver acknowledging that they recognize the dangers of these diseases, that they know that effective vaccines are available and that they chose not to receive the vaccines. The meningococcal vaccine or waiver requirement is limited to students who will be living in on-campus housing.

Tennessee Vaccination Requirements:

- Hepatitis B Vaccine – the hepatitis B vaccine requires three (3) injections. The first injection is given, then at one month after the first injection (second injection), and at six months after the first injection (third injection). The vaccine is available in most physicians' offices and at most health departments. It is also available at the Vanderbilt Student Health Center. Protection is thought to be life-long, but booster injections could be necessary. A signed waiver is acceptable.

Several other areas, such as the Omohundro area, are very industrial. These areas are generally on the Cumberland River upstream and downstream of downtown. These areas are not good areas to walk or even drive. Do your best to avoid them.
